The Kentucky Rifle, a True American Heritage in Picture

by The Kentucky Rifle Association#Book-TKR

Study the work of the best early American longrifle makers, in this beautiful hard bound volume, 9 x 12" format, 110 pages. Photography reveals details of many fine flint and percussion rifles, and a few amazing horns, bags, and accoutrements, selected for their artistic value. Includes some of the best pieces in private collections.

#Book-TKR A True American Heritage only \$35.00

The Kentucky Rifle & Pistol, 1750-1850.....#Book-KRP
edited by James R. Johnston

Hard bound edition of 275 pages, with more than 350 fine original longrifles and Kentucky pistols. Over 150 of these pieces exhibit raised carving, with 100 incised carved rifles illustrated. These fine arms were assembled from the extensive collections of the members of the Kentucky Rifle Association, and many are published for the first time. Essential material for the longrifle builder or collector.

The Kentucky Rifle#Book-KR
by Captain John G. W. Dillin

A well known book, first published in 1924, showing a variety of stock styles, carvings and patchboxes on 126 plates, all creating a desire for further research. This sixth edition retains the original text, with updated footnotes by Dr. George Shumway. Hard bound, with 202 pages, in 9 x 12" format.

#Book-KR The Kentucky Rifle only \$50.00

Ethan Allen, Gunmaker#Book-EAG
His Partners, Patents & Firearms

by Harold R. Mouillesseaux

Ethan Allen is considered to be the father of the pepperbox revolver. This important book gives complete details on him, the years during which he worked, the pistol which he perfected, and the other arms which he and his companies manufactured. Hard cover, 8-1/2 x 11" format of 169 pages, illustrated.

Pennsylvania Long Rifles of Note.....#Book-PLRN
Third Edition, by George Shumway

A brief introduction to longrifles as works of art. Thirty rifles are illustrated and described. These well decorated pieces represent most of Pennsylvania's important schools of gun making, from the Lehigh Valley in the east to Pittsburgh and Beaver Co. in the west. Soft cover, 6" x 9" format. Black and white photos.

#Book-PLRN Pennsylvania Long Rifles of Note only \$15.00

Longrifles of Pennsylvania, Volume 1.....#Book-LPJCEC
Jefferson, Clarion & Elk Counties

by Russell Harriger

A fine new addition to the Longrifle Series, this large hard cover edition is filled with photographs of fine and unusual guns, gunmakers, their tools, shops, and accoutrements. Little has been printed about the makers from these "other" counties of Pennsylvania. Many of these makers are highly talented and prolific. Over 260 pages, with many photographs, in George Shumway's famous style.

#Book-LPJCEC Longrifles of Pennsylvania only \$50.00

Bedford County Rifle & its Makers.....#Book-BCRM
by Calvin Hetrick

This book reveals the graceful longrifles made in Bedford County, Pennsylvania. Earlier flint and later percussion rifles are shown. Soft bound, 8-1/2 x 11" format, with 125 illustrations in 41 pages, this second edition adds three more pages of rifle illustrations, plus an up-to-date account of the research on Bedford gunsmith Peter White.

#Book-BCRM Bedford County Rifles & Makers only \$10.00
