## Carlos Gove pipe tomahawk:

A replica of an original pipe tomahawk made by the famous marksman and gunsmith, Carlos Gove, when he was a young Indian agent, Similar designs were also commonly imported in the 18th and early 19th centuries. Cast is yellow brass or steel. The Pipe bowl and handle are undrilled, 8" head with 2-3/8" edge. The was cast head is as-cast, and will require deburring and polishing.

Brass or steel, with a 22" solid hickory handle, or drilled maple handle.
