

Lee Dies, Pistol and Rifle

Lee Carbide Dies, for Pistols, 3 die sets:

Lee uses a solid carbide insert ground to a special contour that does not leave the belt mark on the case. Carbide dies cost more, but need no case lubricant, work smoothly, and give very long life. Lee die sets include the shell holder, and powder dipper.

#Lee-Die-32-SW	Lee Carbide die set, .32 S&W	\$30.99
#Lee-Die-32-SW-L	Lee Carbide die set, .32 S&W long	\$30.99
