## 9/8" knapped flint.....#Flint-Eng-9

Military muskets often work best with this flint. Try this size in your 1763 Grice, Stowe, or Tower marked Brown Bess. Many original military locks such as the 1816 U.S. Springfield and later variations work best with this size. Pull your lock to half cock. Check to see if it will clear the 1-1/8" width or 1-1/4" length?
